COMMUNITY BULLETIN

June 1, 2025

Denominational, Classis or Community Prayer Requests:

Give thanks for a good planting season and now, for warm weather to grow crops. Pray for timely rains, safety in agricultural pursuits, and that farmers would receive a good return for their labors.

Pray for students who transition from school room to household chores, daily jobs, and recreation. Ask our Lord to guide them to find godly patterns and pastime. Pray also for teachers and staff to find renewal through a slower pace, vacations, alternate jobs or hobbies, and more time recreating. Pray for safety and spiritual vitality as the Lord guides our paths while apart from one another.
