**Denominational, Classis or Community Prayer Requests:**

This week the CRC observes disability awareness week. Pray for church members who face a greater challenge to participate at worship and ministry in our churches. Give thanks for disability advocates in each classis who champion, advise, and bear witness to the coming reality of God's kingdom in which every faithful member belongs and everybody serves.

Pray for good prices for crops harvested at this time of year so that those called to agricultural work will be able to receive the necessities of life from the sale of their products.

Give thanks to God for good health care and good educational opportunities in our community. Ask God to bless our health care workers with protection from Coronavirus and that educational staff at primary, high, and secondary schools would be protected and strengthened in their work. Pray that the sick would find healing the young would find godly wisdom.
