**Denominational, Classis or Community Prayer Requests:**

Around this time students and teachers in our schools have a breather called a spring break, preparing them for a final sprint in the race of the school year. For our prayer focus this week, let's remember staff, teachers, administrators, and students and let's surround them in prayer, asking the Lord to provide them with fortitude, energy, and perseverance to end the school year well! College, post-high, high school, middle school, grade school and all, let's remember and be thankful for the work they have put in with God's help, and let's ask Him to sustain them all for one more sprint to the finish!
