Denominational, Classis or Community Prayer Requests:

People of God, our help is in the name of the Lord, the maker of heaven and of earth! Not by our strength do we move from day to day, only through the power of the Holy Spirit. Give acknowledgement today of our dependence on Him and be thankful for the breath He gives. If this is a season where things are considered green and beautiful in your life, be thankful and celebrate His provision! If this is a season filled with metaphorical dry bones and your spirit is extremely thirsty, acknowledge that God is *still* God and that what matters most is that He is in love with you at all times! Remember that God doesn't forsake and doesn't forget.

Whichever of those seasons you are in, please pray for those in the other season! Right now, you can bend the ear of the One who has all things in His hand so please speak to Him on behalf of someone who needs to recognize His provision. *God, bless the person I am thinking of in this moment with knowledge of Your presence. Remind them of Your goodness in all seasons! For the bountiful times we thank You, for the dry times we lean on You-may You be praised in all situations!*

Remember to ask for protection for the field workers in this season, may God bless our crops and our work. Remember to keep lifting up your denomination and those denominations around you. Ask God to bless the local church as it seeks to carry out the mission of caring for and shepherding and spreading the gospel!
